

Mini-Course on Aggregative Games in Oligopoly Theory

Date: 2025/12/22 (Monday) and 23 (Tuesday)

Venue: Waseda University, Waseda Campus Building 3, Room TBA

Lecturer: Prof. Nicholas Schutz (University of Mannheim)

Overview of the course

In this mini-course, Prof. Nicholas Schutz from University of Mannheim will give a lecture on aggregative games in the context of oligopoly theory. More details will be coming soon.

Schedule

- December 22,
 - 13:10-14:40: Lecture 1
 - 14:40-15:05: break
 - 15:05-16:35: Lecture 2
- December 23
 - 13:10-14:40: Lecture 3
 - 14:40-15:05: break
 - 15:05-16:35: Lecture 4

Administration:

- Registration link will be posted soon.
- Contact: Yuta Toyama (Waseda University) yuta-toyama"at"waseda.jp
- Supported by Waseda University and JSPS Grant-in-Aid for Scientific Research (B) (Principal Investigator: Yuta Toyama, Grant number: 25K00643)
